

## Madison Unicyclists Advanced Summer Camp

The Madison Unicyclists are very excited to announce another summer of unicycle summer camp! The Advanced Camp will focus on different aspects of unicycling and will encourage riders to try out areas of unicycling that they may be unfamiliar with. It is also a time to prepare for NAUCC.

Unicycle activities will include freestyle, long distance, unicycle games, and hockey. In addition to unicycling each day there will also be activities like swimming, shirt making, and more.

All Advanced Campers must be certified level 4 unicyclists. Riders who have not yet passed level 4 should attend the Open Unicycle Camp. Questions about camp level placement can be sent to the Camp Director.

Each day campers should bring:

- Morning snack
- Sack lunch
- Water bottle or hydration pack
- Swimsuit and towel
- Sunscreen
- Proper unicycling shoes and clothes  
(absolutely no flip flops or open toed shoes, skirts and dresses are also not recommended)
- Unicycle(s)
- Helmet

On Tuesday and Thursday we will be going on a longer distance ride on 24" unicycles. On Wednesday we will be spending the afternoon mountain unicycling. This can be done on a muni or a 24" unicycle. Please let the Camp Director know if your child does not have a 24" unicycle to use on these days, the club has some extras.

All campers must be members of the Madison Unicyclists, or the Unicycling Society of America.
