

## Madison Unicyclists Open Summer Camp

Open Unicycle Summer Camp was created to give all levels of riders a chance to continue unicycling through the summer with focused instruction aimed at their skill level. We will spend the week with a mixture of self-directed work as well as group workshops. Additionally, some of MadUni's advanced youth have offered their time to work one on one with campers during this week.

When registering for camp please indicate which session (morning or afternoon) your camper would like to attend. There is no all day option this year.

This camp is directed towards riders who are level 1+. If you have questions about your camp placement please talk to Patricia Wilton, the Camp Director.

Each day campers should bring:

- Snack
- Water bottle
- Proper unicycling shoes and clothes  
(absolutely no flip flops or open toed shoes, skirts and dresses are also not recommended)
- Unicycle (it is possible to loan a unicycle for the week, check with the Camp Director if needed)

All campers must either be a member of the Madison Unicyclists, or the Unicycling Society of America.
